## ADVOCACY & GROWTH

Our women led team grew from 3 to 5 full-time employees plus 3 social work interns!

32 likeminded community partners formed and strengthened

We hosted Georgia Department of Education's Family Engagement Month Kick-Off Event!

"To me, COR means value, trust, and safety. COR is a safe haven for individuals of all that need to get themselves and don't forget, a place to have a good time!"

## MISSION IN ACTION

COR exists to disrupt race and poverty based inequities one student, one family, one school, and one community at a time.

Our unique inter-generational approach seeks to support the whole family - youth and their caregivers - to disrupt generational trauma and support generational love.

## AREA SERVED

We are committed to deepening our impact and strengthening our relationships in the Carver Cluster
